

AT-WILL AGREEMENT AND ACKNOWLEDGEMENT OF RECEIPT OF WORKPLACE HANDBOOK

Acknowledging Party: _____

I acknowledge that I have received a copy and/or link of ITSCO's Workplace Handbook, which contains important information on the Company's general policies, procedures, and, where applicable, benefits. This includes policies on anti-harassment/discrimination, substance use and abuse, confidentiality, and other guidelines relevant to my engagement with ITSCO.

I understand that I am responsible for familiarizing myself with the content in this handbook and agree to adhere to all guidelines and rules that are applicable to my role within the organization.

I recognize that the policies described in the handbook are intended as a guide only and do not constitute a contract of employment or any form of employment agreement for employees, nor a contract for services for contractors. I specifically understand that the working relationship with ITSCO, whether as an employee or contractor, can be terminated by either party at any time, subject to the terms of my employment agreement or service contract.

I understand and agree that ITSCO has the discretion to modify its policies, procedures, and, for employees, benefits at any time.

For employees: I acknowledge the at-will nature of employment with ITSCO and that this relationship may not be modified except by a specific written agreement signed by both me and an authorized representative of ITSCO.

For contractors: I acknowledge that my engagement with ITSCO is governed by our independent contractor agreement and that my services are provided as an independent contractor, not as an employee.

I have received, read, and consent to abide by the guidelines and procedures contained in the ITSCO Workplace Handbook as they relate to my work with ITSCO.
